DOGS AND OUR COMMON AREA

We are still receiving a number of complaints about pet waste and it is now about the common area. Please remember that the common area is just that, it is for the use of all of us, your neighbors. It is quite unpleasant to go for a stroll or use the pavilion there to discover that you, your child, or your own pet has stepped in the leavings of someone else's dog. Please remember that other people live here and that we would all like to love your dog as much as you do, so please, clean up after your furry friend. Again, it makes it much easier for all of your neighbors to love your tail wagging companion as much as you do. All of us here at Arlington Hills thank you for doing so.

Speaking of dogs, did you know that Upper Allen Township has a park dedicated to dogs? This beautiful 2 acre park is located at Daybreak Church at 321 Gettysburg Pike. It is divided into 3 fenced in sections allowing your dog to run free. We encourage you to check out

<https://uatwp.org/upper-allen-township-dog-park-at-daybreak/> or Google "Upper Allen Dog Park" for more information.

LANDLORDS

Please supply your tenants with this newsletter so that all of us are on the same page with current events, concerns, and regulations in the development.

YARD DEBRIS

It is that time of the year when the weather is nice enough to do yardwork and outside maintenance. Please pickup any sticks, weeds, or any other yard waste and dispose of it.

WASTE REMOVAL

This is another reminder to ensure all waste and waste receptacles are placed at the curb no earlier than the evening prior to scheduled removal and removed from view by the end of the day when pickup occurs. This is to keep in compliance with the Arlington Hills Rules and Regulations. There will be only one friendly reminder then a fine will be issued.

Republic Services does not remove large electronic equipment (eg. TVs, computers, etc.). Please contact the local electronics retailers to inquire about electronic equipment removal.

COMMENTS? IDEAS? SUGGESTIONS?

If you have an idea or project you would like to see implemented in Arlington Hills, please contact the officers (officers@arlingtonhills.net) by Wednesday, June 3rd to ensure the item is on the agenda.
